## STATEMENT OF THE SUBSTANCE OF THE INTERVIEW

Mail Stop AMENDMENT Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Dear Sir:

On November 22, 2006, Applicant's representative in the above matter met telephonically with Examiner Rodney Bovernick (Interview Summary attached hereto as Exhibit A). The reason for the interview was to ascertain the status in the above-identified case. In particular, Applicant had filed a response after final, responding to a final rejection mailed May 22, 2006, and had not yet received a communication back from the Office, either in the form of an advisory action or a new office action. However, at that time PAIR indicated that a non-final action was entered on October 2, 2006 but had not been mailed. Applicant's representative inquired as to whether if the action was going to be mailed and if the period for response would thus be re-started.

Application No. 10/706,492 Statement of the Substance of the Interview dated December 21, 2006 Reply to Interview Summary dated November 22, 2006

Examiner Bovernick located the action, and stated in the interview that it would be mailed "very soon" and that the period for response was being re-started. Examiner Bovernick indicated that there was no need at that time for the Applicant to respond to the final rejection mailed May 22, 2006. Applicants relied upon that communication, and did not file a response to the final rejection.

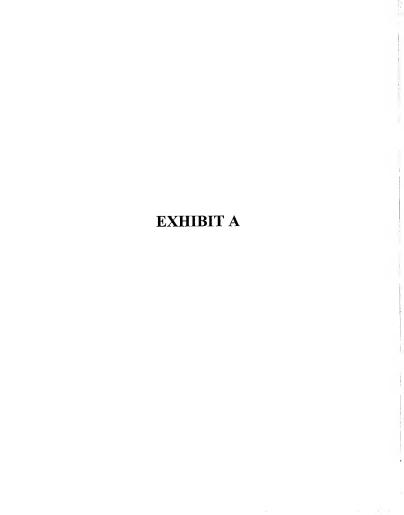

Dated this 21st day of December, 2006.

Respectfully submitted,

/Eric L. Maschoff/Reg. No. 36,596
